

## LICENSE AGREEMENT

For the JPL Budgeting and Estimating System Application (the "Software")

J. Paul Lamarche, operating as JPL CONSULTING (the "Licensor") grants you (the "Application User") the right to install and use one copy of the Software on a single computer or on a number of computers as specified during the installation process in consideration for the payment by the Application User of the Current applicable license fee set out at <http://www.jplbiz.ca> (the "License Fee"). The license granted shall be personal, non-exclusive and non-transferable by the Application User. The Application User is permitted to make one copy of the Software for backup and archival purposes.

The term of this License Agreement commences on the date of payment of the License Fee and continues for an indefinite period thereafter, subject to the Application User abiding by the terms hereof. Payment of the License Fee constitutes the Application User's acceptance of this License Agreement.

Neither payment of the License Fee nor agreement to the terms hereof shall give the Application User any rights of ownership in or to the Software, and the Application User's sole right with respect thereto is to use the Software as outlined and limited in this License Agreement. The Application User acknowledges and agrees that the Licensor owns or has the right to all intellectual and proprietary rights, including any patents, copyrights, trade secrets, trademarks and any other proprietary rights, in and to the Software. The Application User further acknowledges that the license granted hereunder is non-exclusive and that the Licensor shall remain free to license, assign or otherwise transfer the Software to any other person or entity in its sole discretion.

The Software is owned by the Licensor. Title to the Software and all accompanying materials and updates are copyright © J. Paul Lamarche, o/a JPL CONSULTING.

Unauthorized duplication of the Software is prohibited. The component parts of the Software, including updates may not be separated. The Application User may not modify, adapt, reverse engineer or decompile the Software. The Application User may not rent, sell, assign, license or lease the Software to others.

The Application User assumes all risks and liabilities for results obtained by the Software.
